

Qingdao Todo Rubber Co.,Ltd

Qingdao Todo Rubber Co.,Ltd is the ISO 9001:2015 verified manufacturer of rubber extrusion profile.

The material for rubber extrusion profiles are EPDM, CR, NBR, Silicone, Viton, PVC, TPE, TPV and so on.

Rubber Extrusion Profiles:

- Solid Rubber Profiles
- Sponge Rubber Profiles
- Glazing Profiles
- Window and Door Sealing Profiles
- Silicone Extrusion Profiles
- TPE Extrusion Profiles
- PVC Edge Trim
- Trim Seal / Pinchweld Seals
- Self Adhesive Rubber Strip
- Container Door Seal
- Rubber Fender
- O-Ring Cord

Qingdao Todo Rubber Co., Ltd.

Tel: 0086 532 8769 9026 Fax: 0086 532 8769 9025

Address: B-818, No. 6 Cuiling Road, Laoshan District, Qingdao, China.

Solid Rubber Profiles

Material: EPDM, CR, NBR, Silicone, Viton, PVC, TPE, TPV

Hardness: 40 - 90 ShA

Color: Black mostly, OEM colors are available.

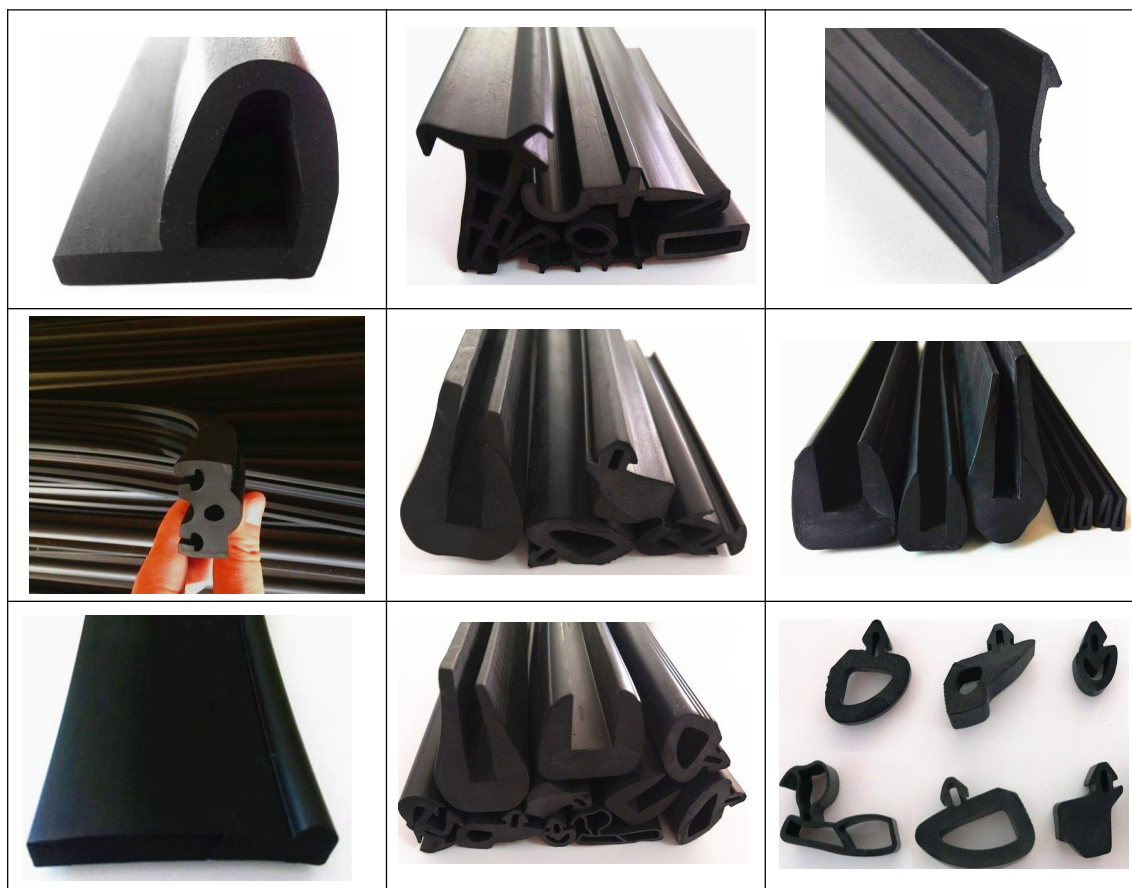

Application: Automotive, Building and Construction, Transportation, Aluminum

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

Sponge Rubber Profiles

Material: EPDM, CR, NBR, Silicone.

Density: 0.6 g/cc to 0.8 g/cc

Color: Black, Red, Green, Brown, Gray, Yellow available.

Application: Automotive, Building and Construction, Transportation, Aluminum.

Certification: ISO 9001: 2015, RoHS,

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

Glazing Profiles

Material: EPDM, Silicone, PVC, TPE, TPV.

Hardness: 40 - 90 ShA

Color: Black mostly, OEM colors are available.

Application: Windows, Doors, Glass, Aluminum, Construction and Glazing industry.

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

Window and Door Sealing Profiles

Material: EPDM, Silicone, PVC, TPE, TPV.

Hardness: 40 - 90 ShA

Color: Black mostly, OEM colors are available.

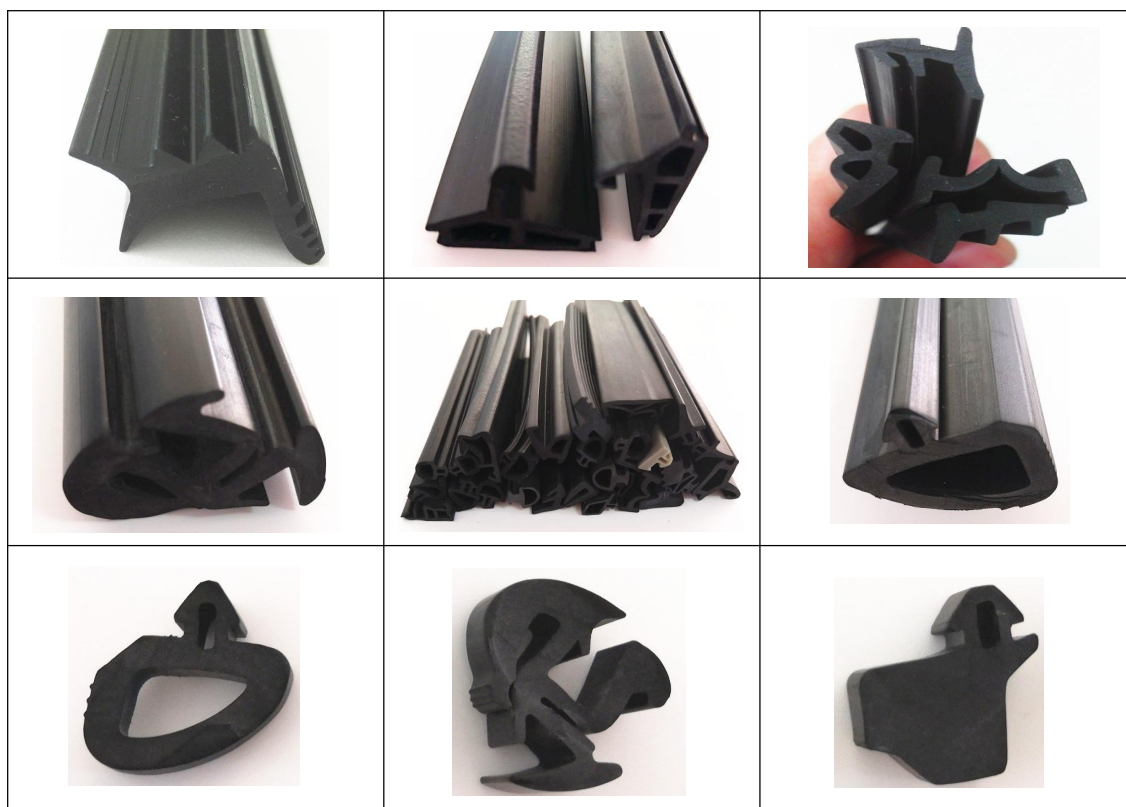

Application: Automotive, Building and Construction, Transportation, Aluminum.

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

Silicone Extrusion Profiles

Material: Silicone

Hardness: 15 - 90 ShA

Color: Black, Red, Green, Yellow, Blue, Brown, Gray, other OEM colors available.

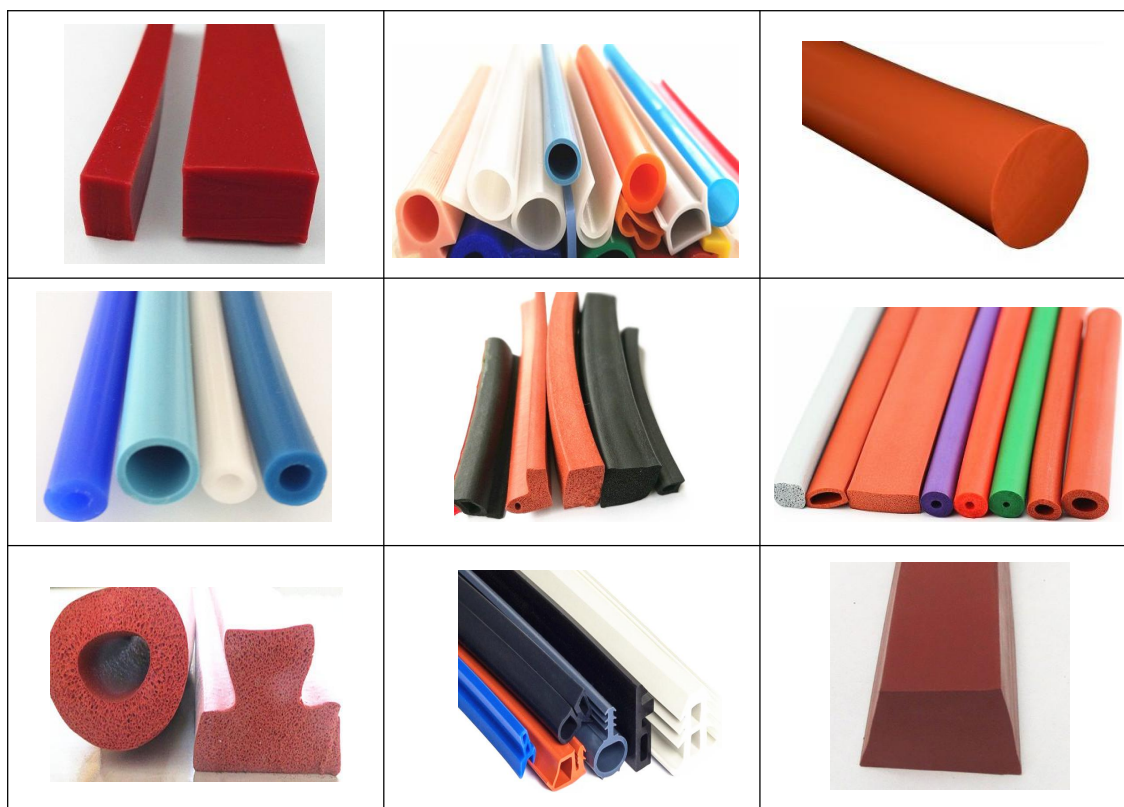

Application: Automotive, Food and Medical Industry, Construction, Transportation.

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

TPE Extrusion Profiles

Material: TPE, TPV.

Hardness: 40 - 90 ShA

Color: Black, Red, Green, Yellow, Blue, Brown, Gray, other OEM colors available.

Application: Automotive, Building and Construction, Transportation, Aluminum.

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

PVC Edge Trim

Material: PVC

Hardness: 40 - 90 ShA

Color: Black, Red, Green, Yellow, Blue, Brown, Gray, other OEM colors available.

Application: Automotive, Building and Construction, Transportation, Aluminum.

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

Trim Seal / Pinchweld Seals

Material: EPDM

Hardness: 15 - 90 ShA

Color: Black mostly.

Application: Automotive, Building and Construction, Transportation, Aluminum.

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

Self Adhesive Rubber Strip

Material: EPDM, CR, NBR, Silicone, Viton.

Hardness: 15 - 90 ShA

Color: Black mostly, OEM colors are available.

Application: Automotive, Building and Construction, Transportation.

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 50 meters per roll mostly, pack into carton box.

Service: Cutting to special length, welding to endless ring, tapping, OEM carton box, Euro standard pallet, Shipping mark design.

Container Door Seal

Material: EPDM, PVC

Hardness: 15 - 90 ShA

Color : Black, Grey, White.

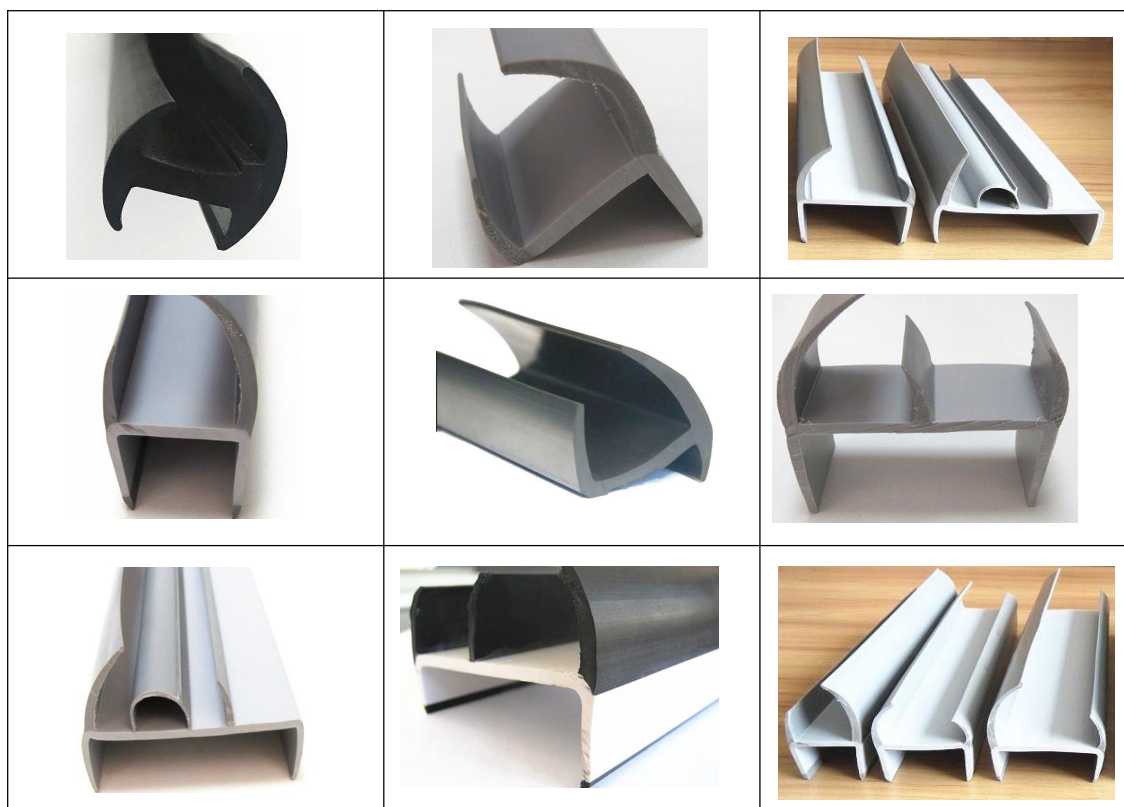

Application: Shipping container, Truck.

Certification: ISO 9001: 2015, RoHS.

Standard: According to drawings or samples.

Package: 3 m/pc or 5m/pc, pack into carton box.

Service: Cutting to special length, OEM carton box, Euro standard pallet, Shipping mark design.

Rubber Fender

Rubber fender mostly used for marine, road safety application.

Considering the weather resistance and pound power, the content of rubber fender is most important issue for the performance.

We can do D-fender with holes, customer moulded fender, round rubber fender, cone rubber fender.

Certification: ISO 9001: 2015, RoHS

O-Ring Cord

O-Ring Cord is supplied as a continuous extruded cord and can be used to make custom sized O-Rings when standard sizes are not suitable.

These cords can be supplied in coil form, cut to length or joined into O-Rings.

Size: From 2 mm - 30 mm

Material: NBR, EPDM, CR, FKM, VMQ.

Hardness: 60-85 ShA

Color: Black, Red Oxide.

Certification: ISO 9001: 2015, RoHS.

Package: Roller package or as per customers' requirement.
